# Unit B1

## Stafford Park 15, Telford

### LOCATION

The property is located on Stafford Park, one of Telford's major industrial areas, which lies approximately 1 mile from Junction 4 of the M54 motorway linking with Junction 10a of the M6 approximately 20 miles to the east. Telford Town Centre is close by, together with Telford Central railway station.

Stafford Park 15 is a cul-de-sac estate road in an almost fully developed part of Stafford Park. The subject property enjoys an end terraced position fronting onto the main estate road. Nearby occupiers include Shropshire Welding Supplies, JD Metals and The Plastic Centre.

### DESCRIPTION

The property comprises an end of terrace industrial unit with adjoining single storey office block to the front. The unit was built in the late 1970's/early 1980's of steel frame construction with brick/block clad walls and glazed panel cladding to the upper front and rear elevations, surmounted by a mono pitch roof with insulated lining panels. The office block is of similar construction with a flat felt roof.

The accommodation consists of a production warehouse, which benefits from a concrete floor and a manually operated roller shutter door to the rear, together with ground floor office accommodation, kitchenette and WC facilities.

Outside, there is an open yard to the rear of the building and allocated car parking within the shared car park to the front.
