Crow Brook Park

Hortonwood 30/50

LOCATION

The site is located in the new town of Telford, approximately 13 miles east of Shrewsbury and 30 miles west of Birmingham. Telford is the largest town in the county of Shropshire and one of the fastest growing towns in the UK.

Hortonwood is an established industrial location in Telford, being one of the town's three main low density business parks - the other two being Stafford Park and Halesfield. Hortonwood is the most modern of the three estates and offers considerable development opportunities with larger campus site operations. It has good road links, being within easy reach of Junctions 6 and 7 of the M54 motorway, affording access to the wider West Midlands conurbation and national motorway network.

The property itself is located just off the Crow Brook roundabout on Hortonwood 30/50. The immediate surrounding area is more or less fully developed to include larger owner occupied properties and multi-let industrial developments. Nearby users include Busch (UK) Ltd and Viessmann Ltd.

DESCRIPTION

The property comprises a rectangular shaped parcel of commercial land extending to approximately 3 acres (1.22 hectares) overall, with a return frontage onto both Hortonwood 30 and 50. It is currently accessed via Hortonwood 30.

The site is level and predominantly surfaced with hardcore/hardstanding and suitable for open storage. It is securely fenced and gated to one side and bounded by a hedge and tree-line to the other side.

ACCOMMODATION

Parcels of land available from 0.5 acres (0.2 hectares) up to 3 acres (1.22 hectares).
