40 Castle Street, Hadley

LOCATION

The property is situated in Hadley, a small residential suburb in north Telford, which lies approximately 2.5 miles north of Telford Town Centre with easy access to Junction 6 of the M54 motorway. Hadley is mainly developed for high density housing, although it is home to GKN Wheels & Structures substantial facility at Castle Works, approximately 1.5 miles from the subject property. Linear retail opportunities are also available along Castle Street, to include the new Lidl supermarket.

The property itself fronts directly onto Castle Street, opposite Lidl, with a return frontage onto Union Street. The immediate surrounding area is predominantly residential, complemented by local shopping facilities in the nearby Hadley Centre.

DESCRIPTION

The property comprises a ground floor retail unit with a full height glazed shop front, enjoying a prominent roadside location in an established built-up area.

The property forms part of a Victorian style building of solid brickwork construction beneath a pitched tile roof. The accommodation is self-contained, with the main access being on the front elevation and a service/staff entrance to the rear.

The unit benefits from a Class A5 hot food takeaway use and has recently undergone a full refurbishment to shell condition. Internally, the accommodation will be arranged to provide a serving counter, customer waiting/seating area, preparation area, kitchen and WC facilities.

Outside, there are 6-8 on site car parking spaces available to the rear of the building.
