The property is located in the market town of Wellington, approximately 4 miles from Telford Town Centre, and enjoys good road links to the national motorway network via Junctions 6 and 7 of the M54 motorway.

DESCRIPTION

The property comprises a substantial two-storey retail premises, which is currently utilised by a single occupier. However the building has historically been let as two separate retail units and does lend itself to multi-occupation, subject to the accommodation being split.

The property also includes full height attic space, which is accessed via an internal hatch. This could easily be converted to provide further storage space or similar.
