- Separate parts store with delivery and loading facilities
- Site of 1.6 acres with extensive secure yard and car parking

Unit A

Halesfield 8, Telford

LOCATION

Halesfield is one of Telford's most established industrial estates and is accessed via the A442 Queensway, the town's main north/south distributor road. The A442 connects with the M54 motorway at Junction 4, which in turn connects with the M6 at Junction 10A. The property itself enjoys a prominent roadside position on Halesfield 8, close to the centre of Halesfield.

DESCRIPTION

The property comprises a substantial semi-detached industrial premises incorporating garage workshop and MOT centre, parts store, ground and first floor offices and WC facilities. The building is of steel portal frame construction with blockwork and insulated steel clad elevations beneath an insulated steel clad roof incorporating translucent roof lights. It has been refurbished and modernised throughout in recent years.

The main warehouse is currently arranged in 6 MOT bays, including a HGV bay, each served by its own electrically operated roller shutter door. It also benefits from works WC facilities. To the front is a single storey section providing a parts store with delivery and loading facilities linking through to the rear warehouse, together with ground and first floor/mezzanine office accommodation. The warehouse areas have an eaves height of approximately 3.8m.

The offices comprise an entrance lobby with full height public waiting area and ladies/gents/disabled WC facilities off, and the main reception area with stairs to the first floor/mezzanine landing, which gives access to a number of partitioned offices and kitchenette. The offices benefit from carpeted floors, fluorescent lighting, gas central heating and uPVC double glazed windows.

The buildings sits on a total site area of 1.6 acres and is surrounded on all sides by a newly laid concrete yard, having concrete section walls and secure perimeter palisade fencing with a gated entrance.
