- Established residential location approximately 2 miles from Telford Town Centre
- Full information pack available upon request from the selling agent

Land off Garfield Road

Red Lake, Telford

LOCATION

Telford is a thriving new town in the Borough of Telford & Wrekin, which is home to a good range of schools and leisure facilities and has excellent public transport links.

The site itself is situated in Red Lake, an established residential community in Ketley, which lies approximately 2 miles from Telford Town Centre in close proximity to Junctions 5 and 6 of the M54, which link Telford to Birmingham and the West Midlands road network.

The site fronts onto Garfield Road, Shepherd's Lane and Mossey Green (B4373). Shepherd's Lane links with the A518 Holyhead Road to the north and Mossey Green links with Telford Town Centre to the southeast. The site adjoins open space and residential development to the east and west.

The site is currently accessed via an unmade road off Mossey Green, however any residential development scheme is likely to provide a newly created access directly off Garfield Road.

DESCRIPTION

The site comprises an irregular shaped piece of development land extending to approximately 2.945 acres, which previously had planning permission for residential development, albeit this has recently expired.

It currently comprises of Greenfield land, which is predominantly level. The land has been grazed in the past, but was most recently utilised for open storage and distribution purposes. It is vacant at present.

The western boundary of the site is formed by native hedgerows with mature trees to the northern boundary and an established hedge set against residential gardens to the eastern boundary. Any development of the site is likely to involve the removal of some of the existing hedgerows/trees along Garfield Road in order to facilitate a new access, but the majority of the hedgerows/trees will be retained.

PLANNING

The site previously had Outline Planning Permission TWC/2015/0369 for up to 45 dwellings with all other matters reserved. The proposed scheme involved a mixture of 2-bed and 3-bed semi-detached/terraced houses, 3-bed detached houses, and 1-bed and 2-bed apartments over garage as per the Illustrative Layout Plan.

MISREPRESENTATION ACT 1967 & PROPERTY MISDESCRIPTION ACT 1991: Andrew Dixon & Company (and their joint agents, where applicable) for themselves and for the vendor(s) or lessor(s) of this property, whose agents they are, give notice that: (1) The particulars are set out as a general outline for the guidance of intending purchasers or lessors and do not constitute, nor constitute part of, an offer or contract. (2) Any information contained herein, whether in the text, plans or photographs etc, is given in good faith but without responsibility and is believed to be correct. Any intending purchaser or tenant should not rely on them as statements or representations of fact, but must satisfy themselves by inspection and investigation or otherwise as to the correctness of each of them. (3) No employee of Andrew Dixon & Company has any authority to make or give representation or warranty whatsoever in relation to this property. (4) Whilst every care has been taken to prepare these particulars, we would be grateful if you could inform us of any errors or misleading descriptions found in order that we may correct them in our records. (5) Unless otherwise stated, no investigations have been made regarding pollution or potential land, air or water contamination. (6) IPMS 3 - office measurements can be made available by request.

ILLUSTRATIVE LAYOUT PLAN

SECTION 106 AGREEMENT
