Weston Park, Shifnal

DESCRIPTION

The property comprises a number of office/studio/workshop units within The Stables at Weston Park, offering self-contained accommodation arranged over ground and first floors with communal toilet facilities.

The Stables are Grade II listed and date from 1688, being of red brick construction with stone dressings beneath a pitched slate roof. The accommodation is laid out in a classic U-shape around a central cobbled stable yard. The building is full of character and still incorporates the original stable stalls, complete with dividing railings and fittings.

The Stables at Weston Park provide the opportunity for tenants to base their business at a prestigious location whilst creating a notable destination for customers, and which may also benefit from tourist and visitor footfall numbers at Weston Park. Weston Park is recognised as a luxurious hospitality venue for private hire and national events. The Stables would suit occupiers seeking complementary brand association, with the charity responsible for maintaining this beautiful estate.

LOCATION

The property is located in the small, picturesque village of Weston under Lizard, which lies on the Staffordshire/Shropshire border approximately 5 miles northeast of Shifnal. The property is situated on the A5, which links through to Telford some 7 miles to the west and Junction 12 of the M6 motorway to the east. The immediate area is predominantly rural with some local amenities nearby.

The Stables are on the historic Weston Park estate, overlooking the main house, gardens and park. Set in 1,000 acres of parkland, and former home to the Earls of Bradford, Weston Park has a rich history, an internationally important art collection and all the grandeur one would expect from a stately home, but with a very modern outlook.

The grounds of Weston Park combine natural beauty and three centuries of garden design and are home to outdoor events, large and small, throughout the year including Weston Park Country Fair, Camp Festival, CamperJam and Craft Festivals. The restored 1767 Great Barn on the estate houses The Granary restaurant, which serves coffee, refreshments and lunch as well as evening meals.

The estate is open to visitors on a seasonal basis and the house is used for private events throughout the year.
